ACS Employee: 12yrs

Certifications/Awards: Wrightsoft Manual "J" Certification, Top Gun Trane, A to B Trane Boot camp, 10 yrs of Various other HVAC Industry Training, Trane XL20i Award of Arizona, Distinguished Dealer Award.

Hi, I'm Dustin Rogers and I personally want to thank you for giving ACS this opportunity to share its award winning service of creating perfect climates in our customer's homes.

I started working for my father's company, ACS Air Conditioning Services, about 12 years ago. My first day on the job consisted of running duct work in an attic and digging a trench. I moved through various maintenance jobs, installations and service apprenticeships before becoming the Sales Manager. I have learned what it takes to do this job and it is all in order to better serve our customers with the highest level of evaluations and customer service.

Outside of work, I've been married for six years and my time is completely devoted to my wife, my five year old son, and three year old daughter. I love to spend time with my family, work at my church, and vacation when possible!

In addition to my promise to give you the most professional and yet personal "Perfect Climate Evaluation" and service possible. I would like to assure you of our commitment to provide honest, reliable service and the most accurate home climate system available.

We want to make a difference in our industry as well as our community, it's our chance to make a difference.

Feel free to contact me at any time and I look forward to creating The Perfect Climate for you!

Sincerely,
Dustin Rogers
